

Activity Sheet 48

The provision of rural transport services: Mali

Purpose

The purpose of this activity is to analyse the factors that affect the cost and efficiency of transport services in the countries where the participants are working, to draw on the lessons from the Mali experience and consider how they may be applied to other countries.

Group Work

1. Read the case study sheet provided to you by your trainer.
2. Discuss the following questions:
 - A. *What factors affect the cost and efficiency of transport services in other countries, such as those in which you are working?*
 - B. *What lessons can be drawn from the Mali experience?*
3. Prepare your findings on flip chart and to elect a person to present the group's findings.
