

Activity Sheet 67

Transport survey methods in rural Ghana

Purpose

The purpose of this activity is to reflect on the experiences of the Ghanaian rural transport survey.

Participants may also draw on their own experiences to provide suggestions and recommendations for improving the project's survey methods.

Group Work

1. In your groups discuss the following:
 - A. *What key lessons can we draw from this survey to apply to other countries and projects?*
 - B. *What recommendations would you make for improving the survey methods of this project?*
2. Prepare your findings on flip chart.
3. Elect a person to present the findings.
