

RMI MEMBERSHIP – CRITERIA

ASSOCIATE MEMBERSHIP should be open to all SSA countries subscribing in writing to their intention carrying out a road sector policy reform program based on RMI principles.

FULL MEMBERSHIP should be open to all countries who have in place a high level RMI steering committee with public and private sector stakeholders and of a suitably placed RMI co-ordinator to serve as a focal point for policy reform activities.

OBLIGATIONS OF FULL MEMBERSHIP and a requirement for consideration of external support from the RMI program would include: the commitment to carry out a national RMI program with appropriate objectives and monitorable activities reported on a regular basis; the collection and dissemination of performance and impact indicators for the program.

OBLIGATION OF ASSOCIATE MEMBERSHIP and a requirement for consideration of External support from the RMI program would include: the commitment to carry out a national RMI program with appropriate objectives and monitorable activities reported on a regular basis.
